

Bharadwaj Bhuyan

Bharadwaj Bhuyan is a Senior Manager in Marketing & Commercial section in Ocean Network Express (ONE) (Singapore Headquarters). With 16 years of professional and international experience in the container shipping industry, he heads its Global Refrigerated Business Planning division and is responsible for developing & executing long-term growth strategy for overall refrigerated cargo segment.

Prior to joining ONE, Bharadwaj joined Mitsui O.S.K. Lines (MOL) (Mumbai) as a Senior Sales Executive in 2006. In 2008, he was shortlisted in MOL's Global Management Trainee program and worked across various functions such as Trade Management, Key Accounts Sales, Network Planning, Yield Management, Operations and Business Process, covering North America and Asia. From 2012 to 2017, he headed the Global Refrigerated Management division in MOL HQ in Hong Kong. A result-oriented leader backed with a core passion in perishable cargo industry, Bharadwaj has extensively travelled to meet customers and collaborate with ONE's regional sales teams to formulate country wise business strategy in refrigerated cargo segment. Bharadwaj holds a Bachelor of Commerce degree with distinction from University of Pune, India and completed post-graduation in International Trade from Institute of Management Development & Research, India. He also earned a professional certification from Institute of Chartered Ship Brokers, London.
