A 3. Participation conditions

Only companies and organisations involved in activities related to the trade show theme with regard to the industry and product group indices are eligible for participation. Submission of online stand registration form alone does not imply any subsequent entitlement to participate in the exhibition. The submission of online stand registration form does not guarantee that the requested booth size or dimension will be provided. The organiser reserves the right to refuse applications without further explanation. The decision is deemed to be final. Claims for compensation based on application refusal will not be considered.

Global Produce Events (HK) determines the approval or refusal of applications. Should an application be accepted, the applicant will receive a notification in writing and a detailed stand description. The notification of application approval is valid only for the therein-named exhibitor and the exhibition material as specified in the stand registration application form. The transfer of all or some of your rights as exhibitor to a third party is not permitted. Additional agreements are only valid upon receipt of written consent from Global Produce Events (HK).

A 4. Application

Applications can only be made by using the official online stand registration form at www.asiafruitlogistica.com. Applicants are requested to fill in the online form carefully. Receipt of the application form does not imply any subsequent entitlement to participate in the exhibition. Applications received after the application deadline are subject to the organiser’s discretion. The application is binding. To permit automated processing of applications, the details submitted will be filed in a data storage system and may be passed on to third parties as required to fulfil the agreement. Global Produce Events (HK) shall be entitled to withdraw from or to terminate the contractual relationship without notice if

admission has been granted on the basis of incorrect or incomplete information provided by the exhibitor and/or the co-exhibitor, or if the conditions for admission on the part of the exhibitor subsequently cease to apply. A compulsory, non-refundable registration fee will be charged once Global Produce Events (HK) approves the application (see A 6.1. Registration Fee).

A 5. Stand Placement

Space allocation and stand sizes are determined in accordance with the exhibition theme and the given spatial resources. The approval of online stand registration form does not guarantee that the requested booth size or dimension will be provided. However, the wishes of exhibitors will be taken into consideration as much as possible. The date on which formal application is received is not a decisive factor in this context. Swapping of allocated stand placements without the explicit consent of Global Produce Events (HK) is not permitted. Exhibitors are personally required to inform themselves on the location, dimensions, and possible imperfections of their allocated stand. Should the event management decide to make any changes in an area that has already been allocated (e.g., construction changes, installations), the exhibitors affected will receive timely notification. Global Produce Events (HK) reserves the right to make changes in stand placements to comply with unforeseen circumstances.

Should this be the case, affected exhibitors will as far as possible be allocated a comparable space to the greatest extent possible. Exhibitors have the right to cancel their registration within one week of reallocation notification. Neither party shall have the right to compensation should this occur.

For exhibitors who are entitled to reduce their previously agreed booth size or who have been permitted to do so, Global Produce Events (HK) reserves the right to reallocate the booth and the decision is final. Subsequent cancellation of the agreed reduced stand size by the exhibitor will be handled in accordance with 8.1 of the General Terms and Conditions for Trade Fairs and Exhibitions of Global Produce Events (HK) Co. Limited.

Payment of the participating fee into the designated bank account by Global Produce Events (HK) only shall satisfy exhibitor's payment obligations under this contract. If exhibitors receive any communication notifying on a change in the designated bank account of Global Produce Events (HK), exhibitors are strongly recommended to verify the authenticity of the same directly with Global Produce Events (HK).

Exhibitors are to pay all money remittance charges on top of the invoiced amounts. The participation is subject to the condition that all outstanding and due claims of Global Produce Events (HK) against the exhibitor have been settled in full. Global Produce Events (HK) will require to have full settlement and receive the full amount from exhibitor based on the invoiced amount.

It is the intent of the parties that Global Produce Events (HK) shall receive the invoiced amount in full and that any: (i) banking and other transfer of payment charges, and (ii) applicable VAT, GST, sales and/or service taxes shall be paid solely by exhibitors (in addition to the booth participation fees). To the extent that a valid certificate is not provided, or to the extent that Global Produce Events (HK) is unable to recover the withholding taxes, the amount of the participation fee shall be increased by an amount necessary to compensate for the withholding taxes (including, without limitation, any amount necessary to "gross up" for withholding taxes levied on the increase itself).

Without prejudice to any other right or remedy it may have, if Global Produce Events (HK) does not receive the full invoiced amount into the designated bank account in cleared funds by the due date for payment, Global Produce Events (HK) shall be entitled to: (i) refuse the exhibitor and its co-exhibitors' entry to the exhibition venue of ASIA FRUIT LOGISTICA, and / or (ii) refuse and/or withdraw the provision of any element of the exhibition booth space or package that the exhibitor has booked. Where Global Produce Events (HK) takes any such action, exhibitors shall not be entitled to a refund of any portion of the participation fee it has already paid and the participation fee shall remain due and payable in full.

If additional space is subsequently requested and allocated, the additional fees are to be paid immediately. In case of late or incomplete payments, Global Produce Events (HK) reserves the right to reallocate the rented space as it sees fit. Exhibitors are liable for rental payments even if their stand is reallocated to another exhibitor or used for other purposes and the rent cannot be retrieved from the new holders. Should the space be reallocated and rented to third party, the original lessee remains liable for 25% of the rental price agreed upon as compensation (see General Terms of Business for Trade Fairs and Exhibitions by Global Produce Events (HK)). Incident expenses are invoiced separately.

A 11. Reservations (Cancellation, postponement, shortening and termination of the event due to a justified exceptional situation as well as cancellation for economic reasons)

- A 11.1. In the event of a justified exceptional situation (as defined in A 11.2), which makes it impossible or unreasonably difficult to hold the event within the planned spatial and/or temporal scope, Global Produce Events (HK) shall be entitled, at its discretion and taking into

account the interests of the exhibitor in holding the event (and, in the event of a change to or deviation from the agreed service, also taking into account the reasonableness of such a change or deviation for the exhibitor), to choose whether to hold the event,

- A 11.1.1. to cancel the event ("Cancellation") or

- A 11.2. A "justified exceptional situation" within the meaning of A 11.1 is the existence of force majeure or another comparable event.
 - A 11.2.1. "Force Majeure" is an event with external influence, unforeseeable at the time of the conclusion of the exhibition contract, has no operational or personal connection or cannot be attributed to the sphere of one of the contractual parties and cannot be averted even by exercising the utmost care that can reasonably be expected. This includes in particular but not exhaustively, the events listed below as examples: Natural disasters and their consequences, war, terrorist attacks, pandemics, endemics, the interruption or massive impairment of transport, supply, or telecommunications connections.

 - A 11.2.3. An event is considered to be "unforeseeable" within the meaning of the aforementioned A 11.2.1 and A 11.2.2 if, at the time of conclusion of the contract, it could not be assumed, after reasonable assessment of actual indications and with regard to the time of the event, with sufficient probability, that a case of force majeure or "other comparable event" was imminent.
- A 11.3. Furthermore, a justified exceptional situation as per A 11.2 shall also be deemed to exist if, at the time of the measure taken in accordance with A 11.1, it can be assumed with sufficient probability based on a reasonable assessment of actually existing indications that a case of Force Majeure or "other comparable event" within the meaning of A 11.2 is imminent at the time of the event. This is also the case, for example, if a justified exceptional situation existed at an earlier point in time and has been remedied in the meantime, but a new justified exceptional situation is to be expected at the time of the event.
- A 11.4. The following is applicable in cases of **cancellation** of the event by Global Produce Events (HK) as per A 11.1.1.
 - A 11.4.1. Global Produce Events (HK) shall be obliged to inform the exhibitors immediately of the cancellation.

However, the exhibitor shall reimburse any ancillary services and additional services already provided by Global Produce Events (HK).
 - A 11.4.3. There will be no refund of the registration fee of primary exhibitor and/or co-exhibitors under any circumstances.
 - A 11.4.4. Claims for damages by the exhibitor due to the cancellation of the event shall be excluded because Global Produce Events (HK) is not at fault. If and insofar as Global Produce Events (HK) is at fault in an individual case, the regulations in A 12 shall apply with regard to the liability of Global Produce Events (HK).
- A 11.5. The following is applicable in cases of **temporal postponement** as per A 11.1.2 and a **shortening** as per A 11.1.3:
 - A 11.5.1. Global Produce Events (HK) shall be obliged to provide the exhibitor with a statement regarding the postponement and/or shortening.
 - A 11.5.2. The contract shall be amended to the extent that it applies to the new period or duration of the event and the exhibitor does not object to the amendment of the contract within twenty-eight (28) working days of receipt of the notification.
 - A 11.5.3. Any objection on the postponement and / or shortening will only be considered if submitted to Global Produce Events (HK) in writing within 7 days following the official statement.
 - A 11.5.4. If the exhibitor objects to the postponement and/or shortening, Global Produce Events (HK)'s claim to the stand rental fee shall lapse and the stand rental fee already paid shall be refunded to the corresponding exhibitor. Global Produce Events (HK)'s claim to remuneration for additional services already provided shall remain unaffected by this.
 - A 11.5.5. There will be no refund of the registration fee of primary exhibitor and/or co-exhibitors under any circumstances.
 - A 11.5.6. Claims for damages by the exhibitor shall be excluded because Global Produce Events (HK) is not at fault. If and insofar as Global Produce Events (HK) is at fault in an individual case, the regulations in A 12 shall apply with regard to the liability of Global Produce Events (HK).

- A 11.6. The following is applicable in cases of **termination of the event** as per A 11.1.4:
- A 11.6.1. Global Produce Events (HK)'s claim to payment of the full stand rental fee shall continue to exist unless the termination of the event leads to a shortening of the event period by more than 40%. In this case, Global Produce Events (HK)'s claim shall be reduced to 80% of the stand rental fee and the difference between the stand rental fee and the amount already paid shall be refunded to the corresponding exhibitor. Global Produce Events (HK)'s claim to remuneration for additional services already provided shall remain unaffected by this.
- A 11.6.2. Claims for damages by the exhibitor shall be excluded because Global Produce Events (HK) is not at fault. If and insofar as Global Produce Events (HK) is at fault in an individual case, the regulations in A 12 shall apply with regard to the liability of Global Produce Events (HK).
- A 11.7. Notwithstanding the above provisions, Global Produce Events (HK) shall be entitled to cancel the event at its reasonable discretion and taking into account the justified interests of the exhibitors (which shall include, among other things, the preparatory measures already taken by the exhibitors for the event) and to terminate the corresponding exhibition contracts at the latest twelve (12) weeks before the planned date of the event, if economic viability cannot be achieved or if the level of registrations indicates that the essential objective of the event (in particular the presentation of a representative range of products and services from one or more economic sectors) cannot be achieved and the purpose of the event is therefore missed. The deadline may be shortened if the nature of the event allows for cancellation at shorter notice. The following applies in this case:
- A 11.7.1. Global Produce Events (HK) shall provide reasons for the cancellation of the event and the termination of exhibition contracts.
- A 11.7.2. With the cancellation of the event and the termination of contracts, Global Produce Events (HK)'s claim to payment of the stand rental fee shall lapse. The stand rental fee that has already been paid shall be refunded to the corresponding exhibitors.
- A 11.7.3. There will be no refund of the registration fee of primary exhibitor and/or co-exhibitors under any circumstances.
- A 11.7.4. Global Produce Events (HK)'s claim to remuneration for additional services that have already been provided shall remain unaffected by this.
- A 11.7.5. Claims for damages by the exhibitor shall be excluded because Global Produce Events (HK) is not at fault. If and insofar as Global Produce Events (HK) is at fault in an individual case, the regulations in A 12 shall apply with regard to the liability of Global Produce Events (HK).

A 12 Liability

- A 12.1. Global Produce Events (HK) does not guarantee that the agreed services will achieve the effect intended by the exhibitor unless Global Produce Events (HK) has made its execution more difficult or thwarted by culpable breach of essential contractual obligations or by grossly negligent behaviour. The exhibitor acknowledges that the services agreed in this contract may be restricted by public law regulations. Global Produce Events (HK) shall not be liable for damages in the event of restrictions arising from such regulations.

- A 12.4. Insofar as the liability of Global Produce Events (HK) is excluded or limited, this shall also apply to the employees, executives, vicarious agents, and legal representatives of Global Produce Events (HK).
