THE WORLD OF FRESH MEETS IN ASIA.

ASIA FRUIT LOGISTICA

Asia's fresh produce trading hub

Frozen Fruit and Vegetables Forum

Building on a successful launch, the Frozen Fruit and Vegetables Forum returns for its second edition with expanded content, deeper market insights, and even stronger international participation.

Why Attend in 2026?

- **Focused Market Intelligence**

Actionable insights into global supply dynamics, Asian demand growth, pricing pressures, sustainability trends, and cold chain developments.

- **High-Level Industry Voices**

Hear from leading exporters, importers, retailers, and category experts shaping the frozen fruit and vegetable sector.

- **Targeted Business Connections**

Meet decision-makers actively sourcing and supplying frozen products across Asia and beyond.

- **Strategic Growth Platform**

Position your business within one of the fastest-growing segments of the fresh and frozen produce trade.
