TECHNICAL GUIDELINES

During the event, exhibitors are subject to the domiciliary rights of Global Produce Events (HK) Co., Limited (the Organiser) and AsiaWorld-Expo (AWE, venue owner) which apply throughout the exhibition grounds. Exhibitors must comply with instructions given by representatives of Global Produce Events (HK) Co., Limited and AsiaWorld-Expo who will prove their identity by means of an appropriate identification document.

The Organiser would like to request exhibitors/contractors to read the Technical Guidelines thoroughly. The exhibitor is bound in all respects by these rules and regulations. The Organiser reserves the right to waive, add, or alter any of these rules and regulations in the interest of the exhibition either general or in any particular case. Should any questions arise, whether provided for in these rules and regulations or not, the decision of the Organiser is final.

ANNOUNCEMENT

Stand builders entering the AsiaWorld-Expo (AWE) for construction works must acquire "GREEN CARD" qualifications.

Stand builders entering the AWE for construction works are required to obtain the Construction Industry Safety Training Certificates ("Green Card") prior to working in Hong Kong. For more information, please visit <http://www.labour.gov.hk/eng/osh/mbstcw.htm>

All local stand builders are required to redeem a wristband at a "Wristband Redemption Counter" by presenting their "Green Card" at the counter daily. The wristband has to be worn on the wrist and presented to the security guards at the entrances to gain access into the hall. If stand builders fail to present a valid wristband at the entrance or in the halls, they will not be allowed to work in the halls and will be asked to leave the halls immediately.

Mainland China and Overseas Contractors entering the AWE for construction works must apply for a "TEMPORARY WORKING VISA/PERMIT"

According to Hong Kong Immigration ordinance, Mainland China and overseas contractors entering for the AWE for construction works need to obtain a work visa before commencing any construction work in Hong Kong. The applicant has to submit form 990A or 990B to Immigration Department. Application form can be downloaded at "Employment as Professionals (GEP, IANG, ASMT) | Immigration Department (immd.gov.hk)".

No Mainland China and overseas contractors without work permit allowed to do any construction work at AWE.

*** Exhibitors should comply with Hong Kong Occupational Health and Safety Ordinance Cap. 509 for the responsibilities of industry stakeholders "Labour Department - Occupational Safety and Health Ordinance, Chapter 509" when hiring overseas working inside the AWE.**

NEW IN 2026 - Centralized Grabber Truck Scheme

Starting from 2026, Asia Fruit Logistica will implement “**Centralized Grabber Truck Scheme**”.

The purpose of this scheme is to utilize all truck spaces more efficiently, reduce wastage of resources and carbon emissions, and to avoid congestion by reducing trucks number. The notice is to all exhibitors and builders to include the relevant budget in their quotations.

The arrangement of the “Centralized Grabber Truck Scheme” is as follows:

- a) Raw space contractors are required to dismantle their booths and floor platform by themselves and ensure that each piece of construction waste is **no more than 5 meters long**.
- b) After dismantling their booths, grabber truck must be arranged by Pico International (HK) Ltd. to clear the construction waste at the stand. Raw space contractors are not allowed to arrange their own grabber trucks.
- c) If contractor is not ordering grabber trucks from Pico International (HK) Ltd, exhibitors will be required to empty their stands themselves, and own grabber truck will not be allowed to enter the exhibition hall even if they have arranged already. Any non-compliance will be dealt with under the deposit penalty scheme.
- d) If it is found that there are booths that have not ordered grabber truck services and construction waste are being moved to another booth, it will be dealt with according to the deposit penalty scheme.
- e) Contractors who require centralized grabber truck service must place order to the responsible contact person before August 29, after which a 50% surcharge will be applied, or the order will not be processed.

Charges for centralized grabber service are as follows:

Stand size (sqm)	Fee (HK\$)	Remarks
36 sqm or below	\$3,400*	Minimum fee: \$3,400 for stands under 36 sqm
Additional per sqm	\$90*	

**Remark: If the booth includes hanging structures, an additional 15% fee will be applied. If the booth includes a floor platform, an additional 30% fee will be applied. If the booth includes both hanging structures and floor platform, an additional 40% fee will be applied.*

Example:

Raw Space Contractor A builds more than one stand, and all the stands need to be cleared by grabber trucks. The calculation of the fee is as follows (Booths in different exhibition halls can be combined for calculation):

Stand	Size	Calculation
Stand 3C01	48 sqm	\$3,400 for first 36 sqm, fee of additional 12 sqm would be \$1,080 (12 sqm x \$90)
Stand 5G21	24 sqm	Fee of remaining 24 sqm would be \$2,160 (24 sqm x \$90)
Stand 5K01 (which including floor platform**)	108 sqm	Fee of remaining 108 sqm would be \$12,636 (108 sqm x \$90 x 1.3)

***The stand with platform will incur an additional 30% charge unless it is reused and returned to the warehouse.*

Thus, Contractor A must pay \$4,480 + \$2,160 + \$12,636 = \$19,276 in total.

Additionally, some booth structures are relatively simple, which may result in less construction waste. In this regard, exhibitors and contractors can contact us to discuss the actual grabber truck service charges.

However, no refrigerator could be disposed even the contractor have ordered the grabber truck service from Pico. The contractor would be responsible for collecting their Freezer or Refrigerator after show. In Hong Kong, disposing of an old refrigerator is governed by the Producer Responsibility Scheme on Waste Electrical and Electronic Equipment (WPRS), commonly known as the "Regulated WEEE" or "4-plus-1" scheme. Since 2018, it is illegal to dispose of regulated electrical waste (including fridges) at landfills or designated waste transfer stations. Any non-compliance will be dealt with under the deposit penalty scheme.

30 FOOD CHARITY

At the end of the show, often a lot of fresh produce that is still safe to eat is left over and thrown away. The organizer offers exhibitors the opportunity to reduce this waste and at the same time help people in need by donating the surplus safe-to-eat food. We have agreed with the charity organisation "Feeding Hong Kong" (the registered food bank charity in Hong Kong dedicated to redistributing surplus food to people in need) that they collect the surplus fresh produce and food donations onsite from exhibitors who want to support Feeding Hong Kong. The surplus food must be in good condition and safe to eat. If you wish Feeding Hong Kong to collect your food donation, please use form G1 (in the Online Service Manual) form and submit to person in charge as named in the form. For more information please contact (email: info@feedinghk.org) or visit www.feedinghk.org.

31 SWAPPING OF ALLOCATED STAND PLACEMENTS

Swapping of allocated stand placements without the explicit consent of the event management is not permitted. Exhibitors are personally required to inform themselves on the location, dimensions, and possible imperfections of their allocated stand. Should the Organiser decide to make any changes in an area that has already been allocated (eg. construction changes, installations), the exhibitors affected will receive timely notification. The Organiser reserves the right to make changes in stand placement to comply with unforeseen circumstances. Should this be the case, affected exhibitors will as far as possible be allocated a comparable space to the greatest extent possible. Exhibitors have the right to cancel their registration within one week of reallocation notification. Neither party shall have the right to compensation should this occur.

32 EXHIBITS

- 32.1 Removal, Exchange: Only the agreed exhibits may be displayed. Furthermore, they may only be removed subject to the approval of the Organiser. Exhibits may only be replaced by other items if written agreement has been obtained from the Organiser and replacement must take place at least one hour before the official daily opening time, or one hour after the official closing time. Exclusions: The Organiser is entitled to demand that exhibits should be removed if these were not included in the stand hire contract, or if they subsequently prove to cause annoyance or danger or are incompatible with the objectives of the event. In the event of non-compliance, the Organiser is entitled to have recourse to law in removing the exhibits at the exhibitor's expense.
- 32.2 Protection of copyrights and patents: It is the responsibility of the exhibitor to ensure that copyrights and other laws governing industrial patents in Hong Kong are complied with.
- 32.3 Without prior approval from the Organiser, exhibitors are not allowed at any time during the exhibition to display or distribute any posters, graphics, or sales material depicting other exhibitions, conferences or events. The Organiser reserves the right to remove posters, graphics or sales material from exhibitor's stand and organiser will not be liable for damage of any kind if such action results in the booth being no exhibits.
- 32.4 Machinery and Apparatus
- a) All machinery and other apparatus intended to be operated shall be fitted with guards or other means of protection subject to the approval and the satisfaction of the Organiser and Venue.
 - b) The machinery or apparatus shall only be demonstrated or operated by persons authorised by the Organiser and shall not be left running in the absence of such persons. The Organiser shall be advised of such authorisation.

33 CANCELLATION, NON-PARTICIPATION ON THE PART OF THE EXHIBITOR

The full stand rental charge shall still be payable if the exhibitor cancels or fails to take part in the event without notification of cancellation. If the exhibitor cancels and another lessee can be found for the stand, the Organiser retains the right to demand 25% of the invoiced stand rental charge from the originally invoiced stand rental charge from the original lessee to cover costs. The full stand rental must be paid when the Organiser rents the agreed upon stand space, although the overall area is reduced as a result of the cancellation/non-participation. The lessee retains the right to submit evidence to prove that no such costs were incurred by the Organiser, or that they were lower than stated. The right to assert additional claims remains unaffected.

34 WITHDRAWALS BY THE ORGANISER

The Organiser is entitled to withdraw under the following circumstances:

- 34.1 If the registration and rental charge is not received in full at the latest by the date stated in the invoice for participation costs and if the exhibitor does not pay before the expiry of any extension period that may have been granted.
- 34.2 If the stand is not occupied in time, i.e. if it is not obviously occupied within 24 hours of the official opening.
- 34.3 If the exhibitor infringes domiciliary rights and does not refrain from such actions even after being advised to do so.
- 34.4 If the registered exhibitor, as private or corporate entity, no longer conforms to the requirements for granting acceptance, or if the Organiser subsequently becomes aware of any reasons which, had they been known before, would have excluded that person from participation. This applies in particular when bankruptcy or insolvency proceedings have been instituted, or if the exhibitor becomes insolvent. Exhibitors are required to inform the Organiser immediately in such circumstances.

35 FORCE MAJEURE

- 35.1 Cancellation of the Event: If the Organiser is prevented from holding the event for reasons outside its own control or that of the exhibitor, all claims to the stand rental become void. However, the Organiser may still invoice the exhibitor for work carried out in the latter's instructions, to cover any expenses already incurred, if the exhibitor is unable to furnish evidence that the results of this work are of no interest to him.
- 35.2 Reschedule of the Event: If the Organiser is in a position to hold the event at a later date it must notify exhibitors immediately. Exhibitors are entitled to cancel their participation in the event if it is rescheduled, provided such cancellation is given within one week following receipt of this notification. In such cases claims for payment of stand rental no longer apply.
- 35.3 For Events that have already commenced: If the Organiser is obliged to shorten or cancel an event that has already begun, as a result of force majeure, exhibitors are not entitled to assert claims for repayment or for exemption from the stand rental charge.

由 2026 年起推行 - 中央夾車計劃

由 2026 年开始，亚洲国际果蔬展览会将推行统一中央夹斗车制度。

此制度目的为更有效的使用所有夹斗车的空间，减少浪费资源及碳排放以及避免同时间过多车辆进出，减少阻塞。现通知所有参展商及搭建商，以将相关预算纳入报价。

中央夹斗车的安排如下：

1. 光地承建商须自行拆卸其展位及将地台拆件，且确保每件建筑废料不多于 5 米長。
2. 展位拆卸后，必须由大会指定承建商 - 笔克（香港）有限公司 安排夹斗车清理光地的建筑废料。光地承包商不能自行安排夹车。
3. 如没有经笔克（香港）有限公司安排夹斗车，展商需要自行清空展位，自行安排了夹斗车也不会允许进场。如有任何违规，将根据押金罚款方案处理。
4. 如发现有展位没有预订夹斗车服务，将建筑废料搬到其他展位，将根据押金罚款方案处理。
5. 如需要中央夹斗车服务，承包商必须于 8 月 29 日前向负责同事下单，逾期将收取 50% 附加费，或不作受理。

中央夹斗车服务收费如下：

光地面积（平方米）	费用（港币）	备注
36 平方米或以下	港元\$3,400*	统一收费，不足 36 平方米亦需缴付港元\$3,400
额外每平方米	港元\$90*	

*备注：如该展位包含吊挂结构，需要增加 15%附加费。如该展位包含地台，则需要增加 30%附加费。如该展位同时包含吊挂结构及地台，则需要增加 40%附加费。

基本案例：

光地承包商 A 搭建多于一个展位，而展位均需要夹车清理，缴付费用之计算方法如下（不同展馆的展位皆可合并计算）：

展位 3C01	48 平方米	首 36 平方米售价港元\$3,400，其后 12 平方米售价港元\$1,080（12 平方米 x 港元 90）
展位 5G21	24 平方米	其后 24 平方米缴付港元\$2,160（24 平方米 x 港元\$90）
展位 5K01 （包含地台**）	108 平方米	其后 108 平方米缴付港元\$12,636（108 平方米 x 港元\$90 x 1.3）

**如展位结构中附有地台，而该地台并非重用及回运，则会额外加收百分之三十的附加费

光地承包商 A 合共缴付 \$4,480 + \$2,160 + \$12,636 = 港元\$19,276

另外有部分展位结构复杂程度较低，所造成的建筑废料可能较少，参展商及承包商可以与我们联络并商榷实际夹斗车收费。

如有查询，请联络 nick.ng@pico.com（3 号展馆） | bel.tam@pico.com（5 号展馆）

然而，即使承包商已经向 Pico 订购了夹车服务，也不得弃置任何雪柜。承建商有责任在展览结束后自行收回其冷柜或雪柜。在香港，弃置旧雪柜受“废电器电子产品生产者责任计划”（简称 WPRS，通常被称为“四电一脑”计划）规管。自 2018 年起，将受规管的电器废物（包括雪柜）弃置于堆填区或指定的废物转运站均属违法。任何违规行为将按照保证金罚款计划处理。

展会结束后，经常会剩下很多新鲜、可安全食用农产品。主办方为参展商提供机会，通过捐赠多余的可安全食用食物减少食物浪费，并帮助需要的人。我们已与慈善组织“乐饷社”（香港注册食物银行慈善机构，致力于将剩余的食物重新分配给需要的人）达成协议，由他们在现场从愿意支持乐饷社的参展商那里收集捐赠的剩余新鲜农产品和食物。剩余食物必须完好、可安全食用。如您希望乐饷社向您收集捐赠食物，请填写 G1 表（在《在线服务手册》中），并将表格提交给表格上所列的负责人。更多详情，请联系（电子邮件：info@feedinghk.org）或登录 www.feedinghk.org。

31 更改已分配的展台位置

未经展会管理部门明确同意，不得更改已分配的展台位置。参展商必须自行了解所分配展台位置、尺寸和可能存在的缺陷。如主办方决定对已分配的区域进行任何更改（例如，建筑物更改、安装），应及时通知受影响的参展商。主办方保留因应不可预见的情况而更改展台位置的权利。如主办方更改展台位置，应尽可能为受影响的参展商安排一个类似位置。参展商有权在收到重新分配通知后一周内取消注册。如取消注册，任何一方均无权获得补偿。

32 附录

- 32.1 移走、更换：仅能展示约定展品。此外，只有在获得主办方批准的情况下，才能将展品移走；只有在获得主办方书面同意的情况下，才能更换展品，并且必须在每日正式开放时间之前至少一小时或非正式关闭时间后至少一小时更换。例外情况：如展品不包括在展台租赁合同中；或随后证明展品给人造成困扰或危险；或与活动的目的不一致，主办方有权要求将展品移走。如发生不符合规定的情况，主办方有权诉诸法律，要求参展商将展品移走，费用由参展商承担。
- 32.2 版权和专利保护：参展商有责任确保遵守版权法和有关香港工业产权的其他法律。
- 32.3 未经主办方事先批准，参展商不得在展会期间的任何时候展示或派发任何描述其他展会、会议或活动的海报、美术或销售资料。主办方保留从参展商的展位上移走此类海报、美术或销售资料的权利；如这种行为导致展台无展品展出，主办方概不承担任何形式的损失。
- 32.4 机械和器具
 - a) 所有拟操作的机械及其他器具均须安装护罩或其他防护设施，但须经主办方及展馆批准并满足主办方及展馆要求。
 - b) 机械或器具只能由主办方授权人士示范或操作。相关人员不在场不得运作此类机械或器具。主办方应将此类授权告知参展商。

33 参展商取消参展、未参展

如参展商在未通知的情况下取消参展或未能参展，仍需支付全部展台租赁费。如参展商取消参展，但能为展台找到另一个承租人，主办方有权要求原承租人支付原展台发票租金金额的 **25%**，以抵消成本。主办方租用约定展台后，尽管整体租用面积因参展商取消参展/未参展而减少，但仍须支付全部展台租金。承租人保留提交证据证明主办方未发生此类费用或此类费用低于所述金额的权利。但主办方主张额外索赔的权利不受影响。

34 主办方规定的退出参展

主办方有权在下列情况下规定参展商退出参展：

35 不可抗力

- 35.1 取消活动：如主办方因其自身或参展商无法控制的原因而无法举办展览，则对展台租金的支付要求均属无效。但是，如主办方按照参展商的指示开展工作，参展商不能提供证据证明主办方的工作成果未给参展商带来利益，主办方仍可以向参展商开具发票，以抵消已经发生的任何费用。
- 35.2 重新安排活动：如主办方能够在日后改期举办活动，必须立即通知参展商。如展会改期，参展商有权取消参展，但应在收到改期通知后一周内通知主办方。在这种情况下，对展台租金的支付要求将不再适用。
- 35.3 对于已经开始的活动：如因不可抗力，主办方有义务缩短已经开始的活动期限或取消活动，参展商无权要求主办方偿还或免除展台租赁费。
